"Werbetext Authorized by the Ian Fleming estate - this book celebrates Bond creator Ian Fleming's writings on the pleasures of drinking, offering 50 cocktail recipes that they have inspired. Über den Autor und weitere Mitwirkende **Ian Fleming** Ian Fleming was a British author and journalist. His first novel, Casino Royale (1953), introduced the spy hero James Bond, agent 007, to the world. It was the first of the James Bond books that together

have gone on to sell over 100 million copies worldwide, in more than 40 languages. Beginning with the movie adaptation of Dr No in 1962, the series also sparked the longest- running film franchise in history. Both Fleming and his fictional counterpart have become synonymous with style, glamour and thrilling adventures. Fleming was born in London in 1908. In the 1930s he worked at Reuters news agency before joining Naval Intelligence as an officer during the Second World War. His talent for writing fast and engaging prose, along with his knowledge of espionage and fertile imagination led to James Bond's creation. He also wrote the children's classic Chitty Chitty Bang Bang. Fleming was married to Ann Rothermere with whom he had a son, Caspar. He died in 1964. www.ianfleming.com
