"Der Verlag über das Buch **Achieving sexual abundance with style**Beyond the often unrealistic ideal of lifetime monogamy lies an uncharted jungle of delightful options -- friendly sex, casual sex, group sex and more. In this groundbreaking volume, therapist Dossie Easton and sex educator/author Catherine A. Liszt provide a road map for exploring the sometimes difficult, often rewarding territory of non-traditional relationships. Warm, informative details about how to get your needs met, manage your jealousy, make agreements that work for all concerned, talk to your friends and relatives, and build a life full of all the sex and love you want."
