Lucifer and his minions have regained their freedom after Yeshua's thousand-year reign and are enticing the Adamites to rebel. Earth dwellers Ben and Kristiana are forced to decide—will they remain loyal to Yeshua and His kingdom or will they believe Lucifer and side with him? Too young to remember the horrific battles of the former age, their quest for information becomes a virtual journey through the Chronicles of the Court, where they learn the truth about the apex of Lucifer's former reign, known as the "time of trouble." In a race against time before their protective shield is removed and their fate is sealed by default, they urgently seek in the Chronicles the Key they need to enter the New Jerusalem and gain immortality. Endorsements "Fantasy and Sci-fi are continually the most popular genres in movies and literature. Yet, what a tragedy that so many of this generation both inside and outside the church are missing the greatest adventure ever told. In The Millennium Chronicles Doug Hamp shows his readers just how utterly amazing the future world will be according to the prophecies of the Bible. Whatever the reader believes about bible prophecy, reading The Millennium Chronicles is a great way to engage the hunger of imagination with the realities of the future." -John Di Bartolo, Founder of Middle-earth Network "Science fiction meets Bible fact! In The Millennium Chronicles Doug Hamp takes future events revealed in the Bible and makes them come to life. This epic journey is a must read for both Christians, and fans of Science fiction!" -Gonz Shimura, Producer of Age of Deceit, Canary Cry Radio "The Millennium Chronicles is a page turner based solidly on the Word of God!" -John Sutherland, Senior Pastor, Calvary Chapel Elko, NV "In The Millennium Chronicles author Doug Hamp has managed to weave into one engaging novel, all the major elements of what the Bible speaks of as 'The Day of the Lord'. A powerful work, reminiscent of C.S. Lewis and J.R.R. Tolkien." -Gary Cowan, Senior Pastor, Calvary Chapel East Albuquerque "This is the most fascinating read that I have ever experienced. It is absolutely brilliant how God inspired Doug to write such a remarkable story through use of so much Scripture. I learned so, so much! This is a work that all believers must read! The three DVDs are helpful in understanding even more of the book." -Phil Richardson, Founder, Telios Education Solutions "The Millennium Chronicles is a 'novel' approach to the unfolding of future Biblical events, excellently documented from Scripture. Quite a thought-provoking read!" -Linda Langley, Founder of Transformations Unlimited "Thank you so much for the Millennium Chronicles! All I can say is that it is AMAZING!! WOW! How brilliant! I have to say - I'm not one to read books, especially 'fiction.' I research in books, but probably only actually read a book maybe one every five years at best! I cannot stop reading the Millennium Chronicles, you so masterfully weave the facts of the Millennium into a riveting story, everyone MUST read this! I haven't been able to stop reading :) I've been thrilled reading it, I've also been in tears the whole time; I am very rarely moved to tears, in fact, this is the first time I ever remember being

brought to tears by any book. I am drawn into the book so powerfully, it really is a masterpiece and DEFINITELY makes an impact. I can't stop thinking about it!" – Jeanne, Dallas, TX.
