New York Times best-selling author Lauren Weisberger returns with a novel starring one of her favorite characters from *The Devil Wears Prada* - Emily Charlton, first assistant to Miranda Priestly, now a highly successful image consultant who's just landed the client of a lifetime. Welcome to Greenwich, CT, where the lawns are manicured, the Long Island iced teas are extra strong, and heads turn when an infamous new neighbor arrives for an extended long weekend. After Emily Charlton left Miranda Priestly and Runway magazine, she migrated to Los Angeles with her husband, working most recently as an image consultant to the stars. But recently Emily's lost a few clients. She's struggling. When the opportunity arrives to reinvent and relaunch a gorgeous former model whose mugshot graces the cover of the New York Post, Emily jumps at the chance. Relaunching Karolina is the big leagues. Until eight weeks ago, Karolina was also the wife of an up-and-coming hotshot senator from New York. On the heels of her husband's very public philandering, Karolina finds herself arrested for drunk driving - with a Suburban full of other people's children. Her only true friend is Miriam, a hotshot New York City attorney turned stay-at-home-mom who lives in tiny Greenwich - conveniently close to Karolina and Graham's summer "cottage". Miriam, Emily, and Karolina make an unlikely trio, but they need each other. Badly. Together, they'll navigate the social landmines of the suburbs on the path to reinvention - unearthing truths that were stirring below the surface all along, and getting a bit of revenge along the way. With her signature biting, dazzling style, Lauren Weisberger offers a glittering look into a sexy, over-the-top world like no one else can..
