This is a 11,000 word booklet about two of the world's most active environmentalists, Alexandra Ocasio-Cortez and Greta Thunberg. It includes their video conversation they had before they met in person. Both are strong believers in reducing out carbon emissions tp try to save the earth from being destroyed in the atmosphere.The book also contains biographical material on AOC and has

her extensive impression of her visit to the Mexican border to see the way the immigrants were treated. AOCs family were immigrants themselves from Puerto Rico so she is naturally sympathetic to the people being held in the detention centers. The book concludes with Greta's speech at the Madrid CO25 Climate Summit..
