"Synopsis Short of a personal showroom with every model of muscle car ever built, this is a true one-stop shop for fans of muscle cars! Packed with production figures, information charts and collector pricing, this book also includes: key details such as engine sizes and options and horsepower ratings that drive car buffs to spend hours under the hood; coverage of every model of every muscle car produced during the heyday of high-performance muscle; and, an unmatched collection of 400+ stunning photos for making accurate identification. For the majority of collectible car enthusiasts, 75 percent, who consider themselves muscle car fans, this book is the pot of gold at the end of the pavement."
