"Reseña del editor Poldark 2020 Wall Calendar features images from the third season of one of television's most-talked-about dramas, starring Aidan Turner, Heida Reed, Kyle Soller, Eleanor Tomlinson, and more. Called ""event television"" and ""...gorgeously made, with terrific performances - and no mumbling. Just how a BBC period drama should be, "" Poldark, the new television adaptation of a series of books by Winston Graham, has captivated fans on both sides of the Atlantic. It's 1783 and Ross Poldark has returned home from the American Revolutionary War to a country in the grip of recession. His beloved Cornwall is on its knees. In his absence, his father has died, his land and mines have gone to ruin, and his childhood sweetheart, Elizabeth, is engaged to his cousin Francis. Feeling betrayed by everything he loves, Ross tries to rebuild his life, reopening his family's mines while finding an unlikely new love in the fiery servant girl Demelza. However, he makes a powerful enemy in banker George Warleggan, who will stop at nothing to make a profit.".
