"Reseña del editor **Julia Donaldson and Axel Scheffler's classic picture book is brought to life as a glorious sound book with ten exciting sounds. Press the buttons to play the sounds as you read along with the story.** Every day, Tiddler is late for school, and every day he has another tall tale for his teacher. But did he really ride a seahorse? Did he really meet a mermaid? And who will believe him when he really does get captured in a net? A wonderfully funny story from the author and illustrator of **The Gruffalo** and **ZOG**, which have both been made into animated films shown on BBC1 **JULIA DONALDSON SOUND BOOKS Roar With Zog Stick Man Sound Book Tiddler Sound Book**".
