**From Roger at Draganfly <http://draganfly.co.uk>**

December 21st, 2019 - It would appear that Burman's changed their models around the end of the year rather than the industry norm of around September which is why there is more than one gearbox listed for some years I have included the month letter of the second gearbox in a particular year which will give a guide to when it was introduced

**What type of gearbox is it ? Matchless Clueless**

December 24th, 2019 - Perhaps it's a 'B51' gearbox I thought but various searches found no mention of such a beast Finally someone on the owners club forum kindly provided the answer This type of gearbox was indeed made by Burman and is referred to as a 'CP' type although I'm still trying to work out exactly what 'CP' stands for if anything
