"Pressestimmen I have been teaching Cambridge IGCSE Economics for 9 years, and Complete Economics is our main text book. I found the book is to be a complete text where students find content, practice materials and chapter end exercises which build their confidence to face the Cambridge assessment. Many students have got A and A* referring this book. In short this is truly a complete book. * Suprava Sahu, Economics Teacher, Kiit International School, India * Complete Economics for IGCSE and O LEVEL by Brian Titley is an amazing book. The course contents are arranged as per the Cambridge syllabus, and particularly the PowerPoint presentations and the worksheets are a good resource for the teachers. I would definitely recommend this book to all my students. * Vasudha Kharbanda, Economics Teacher, Cambridge International School for Girls, Qatar *".
