Le 12 août 1979, Julian Eden, détective privé, se fait descendre de deux balles calibre 22 dans le parking d'un immeuble de la rue des Fossés-Saint-Marcel. Une histoire plutôt glauque et jamais élucidée. Reprendre l'enquête dix-huit ans plus tard n'est guère aisé. Mais Louise Morvan s'est juré de retrouver l'assassin de son oncle. Et quand elle a une idée en tête... La première piste lui est fournie par le commissaire Clémenti : il a retrouvé à Strasbourg le flic chargé du dossier Eden. Un type pas très net, qui avait été du jour au lendemain muté en province. En fin de compte, qui est net dans cette affaire ? Louise a l'impression de plonger dans un monde de mensonges et de faux-semblants. Quant à Clémenti, il n'est guère en mesure de l'aider davantage. On vient de le charger d'enquêter sur un serial killer qui assassine des SDF sur les quais de la Seine..
