From gorgeous skylines and jaw-dropping aerials to hidden treasures, this timely collection showcases 300 striking images of NYC by more than 40 acclaimed Instagram photographers. New York City has become the most photographed city in the world on Instagram, and at no time has its humming energy been more passionately and extensively captured than right now. This first-of-its-kind book brings the Instagram experience into a beautifully curated collection that reveals New York City in a vivid, new light—whether it's dramatic views of must-see icons like the Empire State Building and the Brooklyn Bridge, or glimpses of quintessential city moments like “Manhattanhenge” and autumn in Central Park. The featured photographers, who range from hobbyists to professionals and collectively have millions of followers on Instagram, have made names for themselves through their distinctive styles and perspectives; together, their work paints a unique portrait of New York City rediscovered in the age of Instagram. Complementing the spectacular photography are lists for “Most Instagram-Worthy Spots” and “Most Instagram-Worthy Events”—the perfect guides for both photo

enthusiasts and urban adventurers seeking to explore the sights featured in the book. For anyone with a love of New York City, this book will be both a keepsake and a source of wonder and inspiration..
