Design of a shipping container home of the south Coast in NSW

April 6th, 2020 - My husband and I have just pleted a tiny house build and I can definitely remend it The price works out much cheaper than a shipping container house according to my research 60 000 as pared to close to 100 000 fully finished and you can easily enough rent a parcel of land to live on rather than buying to build on at least initially
