***The Virgin River series Virgin River - Book 1 Wanted: Midwife/nurse practitioner in
Virgin River, population six hundred. Make a difference against the backdrop of
towering California redwoods and crystal-clear rivers. Rent-free cabin included.***When
the recently widowed Melinda Monroe sees this ad she quickly decides that the remote
mountain town of Virgin River might be the perfect place to escape her heartache, and to
reenergize the nursing career she loves. But her high hopes are dashed within an hour of
arriving: the cabin is a dump, the roads are treacherous and the local doctor wants nothing
to do with her. Realizing she's made a huge mistake, Mel decides to leave town the
following morning. But a tiny baby, abandoned on a front porch, changes her plans...and a
former marine cements them into place. Melinda Monroe may have come to Virgin River
looking for escape, but instead she finds her home....
