"Pressestimmen 'On an Iron John odyssey in search of his own Iron Johnny Wilkinson, Steven Gauge reveals the hidden depths of commuterland manhood with charm, wit and intelligence and real insight. Whether you're going through a midlife crisis yourself, or seeking understanding of the delicate male psyche and its need to bond in mud, My Life as a Hooker is the only guide you need.' -- Samira Ahmed, journalist and broadcaster 'Steven Gauge's writing debut is far more accomplished than his hilarious efforts on the pitch. Painfully honest and self-deprecating, this story will appeal to anyone who's ever tried their hand at something they weren't terribly good at but still enjoyed every step of the way. The characters in the clubhouse are the stars of every amateur team up and down the country and will be familiar to anyone who has ever put on a club shirt. You want to join the team as much as turn the page. If this is what a midlife crisis does for you, I want one.' -- Luke Benedict, rugby writer for the Daily Mail 'littered with blokish anecdotes.' Sports Book of the Month 'thankfully, Gauge has submitted [sic] his midlife experiences to paper and come up with an entertaining meander through rugby clubs, drinking and, of course, rugby tours.' The Nottingham Evening Post 'engaging tale... a breezy, often witty account of one man's desire to do something different and reject the notion that, just because you're getting on a bit, it doesn't mean you're quite ready for a Zimmer frame.' The Nottingham Evening Post 'an open account of one man's mid-life crisis and also a second chance at sport... A heart-warming read with just the right amount of educated cynicism.' St Christopher's Live Your Life e-zine 'contains lessons that reach beyond the gates of Warlingham Rugby Club car park... Its underlying philosophy [is] of self-help, communal activity, tolerance, respect and beer... Well-written, funny and warm hearted. It opens with a great joke and builds seamlessly from there... Steven builds an entire philosophy of life into his 230 page narrative.' Liberal Democrat Voice 'a ruck-load of laughs... one of those rarities in sports publishing: a humorous book which is genuinely funny... [Gauge] is able to recount in full, life in the casual nether reaches of British sport... made me laugh out loud.' Sports Journalists' Association 'a sports book that celebrates an unfit 40something novice player in the third worse team in Surrey... autobiographical traipse through a rough and tumble approach to a mid-life crisis.' Inside Croydon 'funny yet so true' Rugby World 'hilarious take on a season with Warlingham 4ths. Warm and witty' Rugby World Über den Autor und weitere Mitwirkende Steven Gauge was introduced to rugby at school, but failed to break out of the 4th XV. He returned to the game aged 35, writing about the experience in My Life as a Hooker, which was shortlisted for the British Sports Book Awards. He still plays occasionally for Warlingham Rugby Club, in Surrey, when they are short of a front row."
