"Pressestimmen '[This] Guide to DNA Testing offers a lot of information for the beginner and advanced researcher alike...[and] is easy to read and comprehend' --**Bobbi King** for Eastman's Online Genealogy Newsletter 'There are very few titles on my book shelf in my genealogy office that I refer to constantly. I know that The Family Tree Guide to DNA Testing and Genetic Genealogy will be one of those titles for years to come. I don't think I could have made some of my recent progress in my research without the valuable information provided by a knowledgeable DNA [expert] like Blaine Bettinger.' --**Thomas MacEntee** 'Informative. Understandable. Solid.' --**Judy Russell**, The Legal Genealogist '[Bettinger] describes, in the simplest of terms, how to begin using genetic technologies to connect with both close and more distant members of our great human family.' --**Jennifer Wagner** for Genome magazine Über den Autor und weitere Mitwirkende Blaine Bettinger, Baldwinsville, NY, thegeneticgenealogist.com. Blaine is an intellectual property attorney who started The Genetic Genealogist, one of the first and most widely read blogs on DNA-related genealogy topics."
