How would you like to live your life without feelings of guilt? In this book the "Star Children-Elohim" speak of the light-filled nature of our cosmic origins. They describe an unusual view of mankind from a non-human, unconditionally loving perspective. Themes such as emotions, the search for meaning, spirituality, time, and health, seen from the polarizing view of human beings, are reduced to the common denominator of Love. Every reader can feel addressed personally and be motivated by a humorous and love-filled energy to live self-love as a basic human right. This book can be understood as a loving guide in a time that is becoming ever faster....
