"Recensione This edition is a wonderful summary of a complex, important topic. (John T. Pierce, MBBS(MD) PhD, Doodys) L'autore John Hobson is a practising consultant occupational physician. He is also managing director of Hobson Health Ltd. He has been the honorary editor of the journal Occupational Medicine for over fifteen years. He holds academic appointments in occupational medicine at Keele, Manchester and Birmingham universities. Julia Smedley is an occupational physician, leading a large multidisciplinary OH service in the NHS. She has an active interest in research and innovation, service development and quality improvement and has contributed to national guidelines and audits in the specialty. She is an honorary senior lecturer at the University of Southampton."
