"Reseña del editor **NEW AND IMPROVED - With even more things to spot, you can now spy the full A-Z in alphabetical order... perfect for learning your ABC's!** Can you spot the food that begins with E? How about the furniture that begins with T? You'll soon discover in this fun game, **I Spy ? Everything!** Each puzzle focuses on different letters of the alphabet ? all you need to do is find the item that matches each letter, then turn the page and see whether you've chosen correctly! A perfect book for little learners. They'll develop observational skills, learn to assign letters to objects, and they'll be having so much fun they won't even know they're learning!".
