"Pressestimmen As with all of Greaney's work, this is **a fun read**. If only all our wars were fiction (Kirkus)Think Red Storm Rising but ten times faster, with more action and Greaney's familiar, smooth style . . . Red Metal is **a once-in-a-generation type thriller** that is not to be missed (The Real Book Spy (blog))As in **the best of this genre**, there are no cartoon villains, just dedicated warriors who are given a mission and are determined to carry it out. This is powerful material, **required reading** for anyone interested in modern warfare (Publishers Weekly) Werbetext **From the *New York Times* bestselling author of the *Gray Man* series and *Tom Clancy* thrillers comes a startlingly realistic novel of World War III.** Alle Produktbeschreibungen".
