“Kasischke’s writing does what good poetry does—it shows us an alternate world and lulls us into living in it . . . The language catapults us into another plane of existence, one of facade and reflection.” —*New York Times Book Review* “Haunting, unsettling, and unforgettable, *The Raising* limns love, longing, belonging and the things we only think we know about life—and yes, death.” —Caroline Leavitt, author of *Pictures of You* From Laura Kasischke, the critically acclaimed, bestselling author of *In a Perfect World* and *The Life Before Her Eyes*, comes a hypnotic mystery about one girl’s tragic death and the fallout that occurs on her closely-knit college campus. Part Stephen King, part Donna Tartt, and wholly unforgettable, Kasischke’s *The Raising* sets a new standard for hair-raising literary suspense..
