Start Your Lucrative Career as a DJ Today!**How Would You Like To...**Be your own boss? Make hundreds of \$\$\$ for just a few hours of your time? Get into a fun, fulfilling job that is always in constant demand? **Then it's time you learn how to become a DJ!**In How to Be a DJ Trevor Thomas takes your hand and guides you through the entire process of becoming a professional, highly sought after DJ. He starts out with the exact equipment and software needed to get off the ground. From there, he teaches you multiple ways to obtain shows, including one completely free method which many DJ's have no idea exists! After that, Trevor goes over how to accept payments, and the proper way to DJ the day of the event. Everything from A-Z is included in this book on how to become a DJ! Trevor even gives you his e-mail address if you have any questions after you get started.As a **FREE bonus**, only for book buyers, you will receive two special templates to help you get started. These include Trevor's event template and invoice template.The **event template** is used to get a feel of what the customer is looking for at their event. It includes music choices, announcement requests, and any additional comments your customer may have for you. The **invoice template** is used right after a customer books you for a show, in which case you can lock in the gig and accept payment.Both of these templates are **not available to the general public**, or anywhere else. They exist solely as a "thank you" to buyers of this book!If you ever wanted to become a DJ, **now is your chance!** Click the **Buy Now** button at the top of this page, and start your lucrative career as a **professional DJ today!**
