"Reseña del editor **Ready to learn about time, or just have a great time? Maisy's First Clock, reissued in a slimmer, easy-to-manage format, is a sure bet for hours of fun.(Ages 2-5)**It's eight o'clock, time to get up and check on Maisy! With this sturdy clock book, preschoolers follow their favorite mouse throughout the day—a day much like their own—while learning the basics of telling time on a clock with movable hands. They can also help Maisy make some important decisions: What will she wear? What will she play with in the park? What will she bring with her to bed? Biografía del autor **Lucy Cousins** is the creator of the beloved Maisy series. She is also the author-illustrator of the widely acclaimed Yummy: Eight Favorite Fairy Tales, a New York Times Book Review Best Illustrated Children's Book, as well as I'm the Best and Hooray for Fish!
