The Home Brewery LogWhen it comes to making beer, home brewers take their process very seriously, and they love to keep track of every step they take to get the best tasting beer they can. This logbook allows you to take notes and keep track of everything from the yeast added, the temperature used, the gravity, the bitterness and there's a notes page to track even more.**Add To Cart Now**Looking to gift your loved one a home brewing kit? Grab this record book too as an add on so they can keep track of how they crafted their best tasting and favorite brews.**Features You'll Find Inside:**Recipe indexBrewing notesIngredients and process pages**Ideas On How To Use This Planner:**A Gift for YourselfRetirement GiftHomebrew Enthusiast PresentBeer Brewing Kit Add-OnChristmas PresentBirthday GiftKeep track of your homebrew beer recipes in a convenient and portable journal for easy access on your brew day.The journal will support both extract and all-grain brewers of all skill levels. Both metric and imperial measurement units are supported.The book allows individuals to keep a record of the grains, extracts, hops and yeast used in up to 50 beer recipes. Other brewing procedure and tasting details can also be recorded, allowing the same beer to be reproduced and modified (unless it's already perfect) once the first batch has been consumed and more is wanted!.
