"L'autore **Ankit Kothari** is an inventor, author and a motivator, but the most important of all, he is a proud father of two young kids, inspiring him to identify the missing book segments in the current market and author the '**Positive Learning for Kids**' series. Mission for 'Positive Learning for Kids' series is to make learning fun for kids but also make life easy for a busy parent. Ankit believes that a parent can completely relate to another parent and help each other out by providing good parenting tips. With the 'Positive Learning for Kids' series, Ankit has attempted to do his part by helping other busy parents and providing the positive resources to kids around the world, so they can learn positive concepts, good habits as well as values in a completely innovative way. 'Positive Learning for Kids' series is truly a passion project for Ankit Kothari with an honest intent to teach good values and positive concepts to children all around the world. Other than books, Ankit also loves to invent new things, which is apparent from his numerous patents in the fields of self-driving cars, smartphones, augmented reality, etc. Ankit has also been recognized by many news channels and newspapers around the United States as well as internationally for his various achievements in a number of fields. **""Learn positively and live with positivity!""**".
