"Synopsis This collection of inspirational writings from Dietrich Bonhoeffer is drawn from his many works and presented here as a series of daily meditations to last throughout the year. Organized under monthly themes, these prayers, sermons, meditations, letters, and notes offer readers a new glimpse at how Bonhoeffer understood the meaning of faith and discipleship. Featuring selections from classic works such as 'The Cost of Discipleship and Letters and Papers from Prison', this set of writings follows the church year, making it ideal for year-long devotional use by readers seeking to be challenged and enlightened by Bonhoeffer's call to find God at the center of their lives. Über den Autor und weitere Mitwirkende **Dietrich Bonhoeffer (1906-45) was a Christian minister, seminary professor, and theologian who became one of the leading voices of opposition against Nazism during World War II. He was a founding member of Germany's Confessing Church and was executed for participating in a plot to assassinate Hitler. His theological views have become highly influential in the years since his death.**
