"Críticas Joel Shaul's second children's book to promote conversation skills for children with ASD's is published by Jessica Kingsley... This book provides a simple visual model to help children experience more success in finding common ground in conversation... contains many photocopiable conversation practice activities and reinforcement worksheets based on this simple visual. Ideal for use in classroom settings or at home, this attractive, full color book is suitable for children on the autism spectrum aged 7 and up. -- AutismTeachingStrategies.com The aim of The Green Zone Conversation Book by Joel Shaul is to enable children on the autistic spectrum to find ways to engage in conversation that are of interest to all parties involved, not just the autistic person...There are worksheets and a section aimed at helping adults to use the book effectively with their child. -- Special Needs Jungles blog Reseña del editor In conversation, children on the autism spectrum often struggle to select topics of interest to others. Many have strong, narrow interests and feel compelled to introduce these subjects when they talk. This book provides a simple visual model to help children experience more success in finding common ground in conversation. The ""Green Zone"" is a visual representation of finding common ground between one person (blue) and another person (yellow) to create a ""green zone"" that represents the pair's shared interests. The book, illustrated with hundreds of photographs representing the range of other people's interests, clearly explains what the ""Green Zone"" is and how to find it, and contains many photocopiable conversation practice activities and reinforcement worksheets based on this simple visual. Ideal for use in classroom settings or at home, this attractive, full colour book is suitable for children on the autism spectrum aged 7 and up.
