"Synopsis Editing room procedures have been developed over many years to expedite the editing process. Norman Hollyn's book is written primarily for those who have an active interest in how a professional cutting room operates. To help those thinking of making it their career, this book is quite detailed. As you read about how to make a cutting room work, you will also get a tour of the film making process itself as seen through the editor's eyes. Über den Autor und weitere Mitwirkende Norman Hollyn".
