Learn to unleash the full power of Pinnacle Studio by following practical examples. As Studio develops, so does the Revealed series, with all the new features of this popular software covered in detail. Start from scratch, or dip in and out - this book works both as a manual and a series of tutorials. From Basic Principles right through to understanding the latest features, Pinnacle Studio Revealed is packed with tips and examples, using both the sample footage and easily downloaded content. Topics include keeping your movies in sync, troubleshooting, Masking, Multi-Cam, Split Screen templates and working with MyDVD as well as legacy disc authoring..
