farewell my lovely movie review 1975 roger ebert

May 26th, 2020 - farewell my lovely is a great entertainment and a celebration of robert mitchum s absolute originality it also announces the arrival of richards as a promising new american director his culpepper cattle pany and the the last half hour of the otherwise

uncertain rafferty and the goldust twins had an interesting way of seeing things and now here is a totally assured piece of work

farewell my lovely a regrettable moment of sincerity

May 13th, 2020 - farewell my lovely doesn't linger in the mind like chinatown does but it shares a cinematographer john alonzo whose lighting is so convincing that we never want for the black and white photography that most people associate film noir with farewell my lovely looks more like an edward hopper painting than any edward hopper painting does

farewell my lovely on apple books

May 20th, 2020 - we remend all of marlowe s cases there are only seven but 1940 s farewell my lovely is a great starting point honestly the plot isn t that important what s amazing is the speed with which things move it s like a body getting thrown through a closed door which by the way happens on literally the second page

farewell my lovely chandler raymond 8601401170242

May 23rd, 2020 - farewell my lovely is perhaps my favourite of all raymond chandler s books although he was not a prolific author and there aren t too many to choose from i guess he was a perfectionist like all his novels it has a memorable beginning this time with philip marlowe spotting a man outside a bar wearing a sports coat with golfballs on it for buttons and alligator shoes with white explosions
