All Danielle wanted was one night with the cowboy. One night of fun to get her through until her next day off when she could come back into the city and find another distraction from the quiet life she leads in remote Northern Alberta. How she ended up eating breakfast with the cowboy and making plans to spend the day together was beyond her. That went against all the rules of a one-night stand. Kirk knew from the second he saw her on the dance floor that she'd be a wild one. Even with that intuition, he wasn't prepared for just how hard she would be to tame. She was ready to run out on him before they even caught their breath but he had more to give her before the sun came up. Kirk wasn't putting up with any of her rules. A few months later, Kirk surprised Danielle with a visit, ready to tell her it was time to throw the rules away for good. Instead, he's met with a surprise of his own. Just a Fling is a novella in the Driven by Fire series of steamy romance novels set in Alberta, Canada during the wildfire evacuations in the Fort McMurray region. Due to its content, it is intended for mature readers. Also in the Driven by Fire Series: Driven by Fire Book 1 Out of Bounds, Book 2 (Available Oct 1, 2019).
