"Críticas Lesley-Ann Jones brings my old friend almost back to life in this brilliantly observed and detailed account of a fascinating man who lived an all-too-short life. The first book to show us the real Marc. * Steve Harley *

'Brimming with insight from family members, friends, managers, musicians and white-knuckled rock and rollercoaster riders who shared the dips and dives of Bolanmania, this book is a cracker of a read.' * Keith Altham, Rock writer and press agent, The Who, The Rolling Stones, The Beach Boys, The Small Faces, Van Morrison and Marc Bolan

* 'This book is a great read. Bolan was one of the most enigmatic and important performers of his age.' * Frank Allen (of The Searchers) * 'Important missing pieces of the complicated short life that was Marc Bolan's. It is a

sensational read.' * Tony Visconti *
'Heartfelt and fascinating.' * Bob
Harris OBE * 'this is "THE" Marc Bolan
biography . . . balanced rather than
sensationalist, something the Bolan fan
base will appreciate.' * Classic Rock
Radio * Reseña del editor *** By the
Sunday Times bestselling author of
BOHEMIAN RHAPSODY *** From mod folk
artist to flower power pixie elfin to
the king of glam rockers, Marc Bolan was
the ultimate chameleon. His far-reaching
musical and stylistic influence is more
relevant today than ever with hits such
as 'Ride A White Swan', 'Children Of The
Revolution', 'Get It On' and 'Hot Love'
as fresh and exhilarating as when first
released. At the peak of his popularity
during his lifetime Bolan was outselling
Jimi Hendrix and The Who, and yet
relatively little is really known about
the hypnotic, enigmatic 20th century boy
turned 21st century icon. At last, in
the 35th anniversary year of his tragic
death, Marc Bolan represents the
definite biography. Here rock
biographer, Lesley-Ann Jones, paints a
meticulous portrait of the T-Rex front
man. From his childhood growing up in
Hackney to his untimely death at the age
of 29, Bolan's life was one of
relentless experimentation and
metamorphoses. Hallucinogenic drugs,
wizardry and levitation, alcoholism, tax
evasion and a spectacular fall from
grace were to punctuate his short life,
as he continued to strive to reinvent
himself and his music over and over
again. Lesley-Ann has been granted
access to those who knew Bolan best,
including his partner and the mother of

his only son, Gloria Jones and his brother, Harry Feld. Biografía del autor Lesley-Ann Jones is a journalist, newspaper columnist and broadcaster. The author of eight published books, she has enjoyed more than twenty-five years in music and the media. She lives in South-East London with her young children, the eldest having grown up and gone into the music business."
