Ultima serata di vacanze prima del fatidico ritorno a scuola, eppure
Ester non potrebbe essere più felice. Robin, il ragazzo del quale è
perdutamente innamorata da quattro anni, le ha finalmente chiesto di
uscire insieme. Ma quella che doveva essere la sera più magica della sua
vita, si trasforma in una sequela di disastri, delusioni, lacrime e

figuracce... e come se non bastasse, la povera Ester viene perfino centrata in pieno da un gigantesco fulmine!Dopo quella serata, però, tutto cambia. Il fulmine ha trasmesso a Ester dei superpoteri, e la giovane viene ingaggiata dai servizi segreti per far parte di un gruppo di supereroi a protezione della città di Domino: i Formidabili 5!Gli altri membri della squadra sono Luke, l'affascinante leader del gruppo per il quale Ester si prende una folle cotta, Will, un simpatico nerd capace di vedere il futuro, la snob Cindy, dal caratterino... bestiale, e lo scontroso Alex, che da subito non prende in simpatia la nuova arrivata.La loro missione è sconfiggere lo scienziato Theodore Locke, ovvero l'uomo che ha modificato i loro DNA dotandoli di superpoteri, e che adesso è intenzionato a creare un superesercito per conquistare Domino.Riuscirà l'eroina più improbabile della storia a proteggere la città? E soprattutto, riuscirà il suo cuore a decidere tra Luke e Alex?.
