Book Description**Alphabet index will help you find information you want much easier.**This password book is presented with alphabet index. The index is really helpful for organizing a number of passwords of yours, sorted by A-Z alphabet letter.After jotting down a lot of password information in a password notebook, it will be many times for you to look for your passwords in the future. And at that times, the alphabet index will be a great tool for you to find the password very very quick.On every page, this password notebook contains 4 ready-to-fill password areas. Each of the password area contains website, username, password and notes.For A-Z alphabet index, this password book arranges every four pages for each alphabet letter, from A to Z respectively.The book comes with quite large text so that you can see the password information and alphabet index easily.**Specification:**Size: 8.27" x 11.69, A4Type: soft cover, matted, perfect binding, white paper sheetPages: 108 pagesInterior: large print, 4 ready-to-fill password groups / page, each page contains an alphabetical label (each letter for 4 pages), the last 3 pages are for additional notesMade-In: USA.
