"Paper Size:**A3** The essence of England can be found in the Cotswolds with its picturesque villages. It is an area of outstanding natural beauty. Beautiful gardens, old churches, romantic street lines and cafés invite you to linger. The Cotswolds are famous for their honey-colour limestone villages in a beautiful rural setting. CALVENDO has chosen this calendar for its Gold Edition. Calvendo calendars are premium products - a bit more pricey than others but with added benefits: Our calendars always look beautiful on your wall because we produce them locally with premium paper and sophisticated spiral binding, ensuring easy turning of pages and flat hanging against the wall. A protective transparent plastic cover sheet provides added stability and each calendar comes in five languages. Treat yourself to a Calvendo calendar and you get something that looks better all year round. This successful calendar was re-released this year with the same pictures and updated calendar."
