"Reseña del editor Nancy Clancy is ready for her close-up in the fifth chapter book in the Nancy Clancy chapter book series by the New York Times bestselling team of Jane O'Connor and Robin Preiss Glasser.

It's Nancy's time to shine as she takes center stage in the school play! There's no way Nancy will get stuck in the chorus again this year-she's been practicing guitar for months and her audition was superb. So when Nancy gets a callback, she's overwhelmed with joy! But after Nancy's performance during the play is captured on a video that gets posted on YouTube, it seems her stardom has gone viral. Will Nancy's humiliation get the best of her, or will she find a way to embrace her newfound fame? Fans of Nancy Clancy will enjoy watching Nancy sparkle in the spotlight in her latest chapter book. The central theme of all the Nancy Clancy books shines through, showing the power of positive thinking. Contraportada It's Nancy Clancy's time to shine as she takes center stage in the school play!
