"Recensione Reminded me not just what it's like to be young and in love, but what it's like to be young and in love with a book (John Green, author of THE FAULT IN OUR STARS)The pure, fear-laced, yet steadily maturing relationship Eleanor and Park develop is urgent and breathtaking and, of course, heartbreaking, too (BOOKLIST starred review)Reminded me not just what it's like to be young and in love, but what it's like to be young and in love with a book (John Green, author of The Fault in our Stars)'If you haven't come across it before, we very much recommend Rainbow Rowell's Eleanor And Park, which is a gut-punch of a love story that we downloaded and raced through in one train journey.' (EMERALD STREET)A breathless, achingly good read about love and outsiders (Stephanie Perkins, author of Anna and the French Kiss)Eleanor and Park is completely beautiful. Set in 1986 and full of retro pop culture references, it's a book I want to share with everyone. . . I don't think a single person could read this book and not have their heart melted. (ONCE UPON A BOOKCASE)Deliriously beautiful . . . My only problem with this book was that I finished it. And I knew I wanted to keep it in my life, always (Jenny Bird for Forever Young Adult)This sexy, smart, tender romance thrums with punk rock and true love (Gayle Forman, bestselling author of If I Stay)Rowell keeps things surprising, and the solution - imperfect but believable - maintains the novel's delicate balance of light and dark (Publishers Weekly, starred review)The pure, fear-laced, yet steadily maturing relationship Eleanor and Park develop is urgent and breathtaking and, of course, heartbreaking, too (Booklist, starred review) Descrizione del libro 'Reminded me not just what it's like to be young and in love, but what it's like to be young and in love with a book' John Green, author of The Fault in our Stars Dall'autore Rainbow Rowell writes books. Sometimes she writes about adults (ATTACHMENTS and LANDLINE). Sometimes she writes about teenagers (ELEANOR & PARK and FANGIRL). But she always writes about people who talk a lot. And people who feel like they're screwing up. And people who fall in love. When she's not writing, Rainbow is reading comic books, planning Disney World trips and arguing about things that don't really matter in the big scheme of things. She lives in Nebraska with her husband and two sons. Dalla seconda/terza di copertina Eleanor is the new girl in town, and she's never felt more alone. All mismatched clothes, mad red hair and chaotic home life, she couldn't stick out more if she tried.Then she takes the seat on the bus next to Park. Quiet, careful and - in Eleanor's eyes - impossibly cool, Park's worked out that flying under the radar is the best way to get by.Slowly, steadily, through late-night conversations and an ever-growing stack of mix tapes, Eleanor and Park fall in love. They fall in love the way you do the first time, when you're 16, and you have nothing and everything to lose.
