"Críticas **Everything you'd want** in a retelling of a classic fairy-tale: a **finely drawn** fantasy world, a heroine **rarely seen in fiction**, and a **tortured hero with a secret**. I have only one complaint: **I wish the sequel were already available!** (Jodi Picoult on A CURSE SO DARK AND LONELY)An **intensely original** retelling. Full of fierce new characters, wicked magic, and wondrous amounts of heart, Brigid Kemmerer doesn't just tell a story, **she builds an entire world that you will never want to leave** (Stephanie Garber on A CURSE SO DARK AND LONELY)I couldn't get this **creative, suspenseful** take on Beauty and the Beast out of my head (Sara Holland on A CURSE SO DARK AND LONELY)The Beauty and The Beast retelling I've been waiting for. The world Brigid has crafted is so **beautifully dark, filled with wild adventure** and a modern-day heroine **every reader will find a bit of themselves in** (Alexandra Christo on A CURSE SO DARK AND LONELY)A **complex, creative, and compelling** reimaging of Beauty and the Beast (School Library Connection, starred review on A CURSE SO DARK AND LONELY)A fast-paced, richly detailed **feminist epic** (Kirkus Reviews, starred review on A CURSE SO DARK AND LONELY)A fresh twist on an old story . **Fans of Sarah J. Maas will be eager for this one** (Booklist on A CURSE SO DARK AND LONELY)A wonderful sequel, Emberfall and Syhl Shallow is a believable world, that captures and draws you in. (Children's Book Sequels) Reseña del editor **Find the heir, win the crown. Win the crown, save the kingdom.**Harper has freed Prince Rhen from the curse that almost destroyed his kingdom. But all is not well; rumours are rife that there is a rival heir with a stronger claim to the throne and that 'Princess' Harper of Disi is nothing but a fraud.Grey has fled the castle carrying a terrible secret. When he is discovered by soldiers and returned to Ironrose by force, Grey's allegiances begin to shift. And as he grows closer to an enemy princess, he is forced to decide whether he will stand against Rhen for the crown he never wanted . Contraportada **Find the heir, win the crown.
