**MISSION: CHILDREN Rounding up a gaggle of orphans isn't Wyatt Reed's specialty.** Still, the bounty hunter is being paid handsomely to bring these children from Evans Grove to the next town. And then he sets eyes on one pigtailed, pint-sized complication, and the beautiful widow who needs his help. Charlotte Miller's marriage lacked love, but at least it gave her the right to adopt little Sasha. Without a husband now, she can't be a mother. Wyatt agrees to be her groom-for-hire—only until Sasha is hers. Now the man who couldn't wait to leave town is finding unexpected reasons to stay...and glimpsing a future surpassing any fortune he's known. *Orphan Train: Heading west to new families and forever love.*
