"Pressestimmen Succinct and authoritative... There is a lot of information in a small volume, with easy-to-understand explanations, diagrams and good quality photographs. An excellent practical book to have on board, and especially useful for those studying for their RYA examinations. (The Cruising Association 2019-12-17)a small, but mighty book. ... a practical explanation of a complex, but essential subject for all sailors (Cruising)Adlard Coles have earned a reputation for producing an excellent series of handbooks on various aspects of weather...and this book maintains this reputation. It slips easily into the pocket and is unreservedly recommended. (International Journal of Meteorology) Werbetext This pocket-sized aide-memoire will equip sailors (and other outdoors people) with the knowledge to read and predict the weather.
